MEMORANDUM FOR: *Alexander H. Platt*
Director of International Economic Affairs
National Security Council

FROM: Deane Hoffmann
National Intelligence Officer for Economics

SUBJECT: Final Draft of Response to NSSD 2-86

1. The DDCI has approved the draft of NSSD 2-86.
2. DDI/SOVA has given me the following suggested changes.
 - Tab I. A. Last sentence (Page 1): ... expansion of the role of the State Committee ...
 - Tab I. F. Expanded Soviet Activity... (Page 6, 2nd Para.): ... more diversified borrowing ...
 - Tab I. H. (Page 9, 2nd para, last sentence): The antecedent of "reforms in this area" is not clear. If it is foreign trade reforms, CIA analysis is that the reforms do not promise greater compatibility.
 - Appendix C. Page 2, 2nd sentence: Since the paper was drafted, Ivan Ivanov has moved to the new Foreign Economic Commission. I suggest you simply drop the sentence that refers to him.
